To All Bidders:

Subject: **Bid No. 8519-J6 – Bike Racks / DTM**

ADDENDUM NO. 2

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

Questions received by this office and responses from The City:

1. Q. What exactly is the relevance of the “Removable Anchor?”
A. The removable anchor image was just to differentiate from the tamper-resistant fastener.
2. Q. I see that the Bicycle Hitch Rack item calls out tamper resistant fasteners. Is there a specific mounting hardware spec for the Cycle Stall item?
A. The City does not have a specific spec for the cycle stall mounting hardware.

General Bid Clarification:

1. Please see **reference** images of the Bike Hitch and Cycle Stall below:
