Please note, MMSGs quotes the price for the individual unit of measure of products. However, the actual packaged quantity may be in a different unit of measure, than what is specified in the bid, due to the availability of the specified unit of measure for the item. Please see McKesson Attachment A in the bid response for additional detail regarding item unit of measure availability. Additionally, the unit of measure may change between solicitation response and award due to factors beyond MMSG's control. In the event of such an occurrence, MMSGs will promptly provide notice of the change in the item unit of measure upon award.
