The solution must enable students to document, showcase, and reflect on their academic progress, career-readiness activities, and personal achievements. The platform will function as a centralized hub for students, educators, and administrators to monitor growth and postsecondary readiness, while also reducing departmental silos across counseling, CTE, advanced academics, school leadership, and other student support areas by consolidating these functions into a single system. The platform must provide developmentally appropriate experiences for elementary, middle, and high school students, including simplified interfaces and portfolio workflows for early grades and expanded college, career, and pathway planning tools for secondary students. The platform must allow the district to define, customize, and tag portfolio artifacts, reflections, and experiences to Worcester Public Schools' Vision of a Learner competencies and indicators, with reporting capabilities tied to those competencies.

2. Background

Worcester Public Schools (WPS) is committed to ensuring that every student graduates prepared for college, career, and life. As part of this mission, the district recognizes the essential role that digital portfolios play in supporting student growth and readiness. A comprehensive digital portfolio system enables students to curate evidence of their learning and skill development, document and highlight key career-exploration and readiness milestones, and share their accomplishments with educators, families, and potential employers. By adopting a modern, district-wide portfolio platform, WPS aims to strengthen student ownership of learning, enhance cross-departmental collaboration, and provide a unified structure for tracking progress toward postsecondary success.

SECTION 5- COMPARATIVE EVALUATION CRITERIA

Each proposal meeting the Minimum Evaluation Criteria shall be further evaluated and rated according to the Comparative Evaluation Criteria to determine the relative merits of each proposal. The review will cover the objectives listed below. Within each category, the degree to which the proposal satisfies the stated objective shall be reviewed and rated on a system of “Highly Advantageous,” “Advantageous,” and “Not Advantageous.”

1. Alignment with Worcester Public Schools’ goals as outlined in Section 1, item 3:

Proposal provides a clear and well - thought approach to meeting the project goals. The firm has demonstrated a thorough understanding of the project and is providing staff and resources highly capable of meeting the WPS requirements and schedule for implementation. Proposal clearly articulates success metrics and indicators used to monitor adoption, student engagement, and progress toward district goals over time.	Highly Advantageous
Proposal provides an adequate approach to implementing the project goals. The firm has demonstrated a basic understanding of the project and is providing staff and resources that can meet the WPS requirements and schedule for implementation.	Advantageous

The platform has minimal or no native integration capabilities with enterprise systems. Future integrations would be complex or costly. Documentation and support for integration are inadequate or unavailable.	Not Advantageous

4. Vendor Experience & References:

The extent to which the Firm demonstrates successful implementation for six(6) or more school districts that are similar in scope and size to Worcester Public Schools.	Highly Advantageous
The extent to which the Firm demonstrates successful implementation for four (4) – five (5) school districts that are similar in scope and size to Worcester Public Schools.	Advantageous
The extent to which the Firm demonstrates a successful implementation plan for the minimum of three (3) school district comparable in scope and size to Worcester Public Schools.	Not Advantageous

5. Commitment to data privacy and security:

The platform demonstrates strong compliance with industry standards and regulations (e.g., FERPA and applicable federal and state privacy laws). It employs advanced security measures such as encryption, role-based access, and regular audits. Clear policies and transparent practices ensure user trust and long-term data protection.	Highly Advantageous
The platform meets basic compliance requirements and applies standard security protocols. It provides adequate access controls and monitoring, though some measures may be less comprehensive. Policies are available but may lack full transparency or detail.	Advantageous

5.1.1 As between Licensor (and its licensors, licensees, subcontractors and affiliates) and the City, the City owns and shall retain ownership of its City Data (including any documents, information, as well as any extract or aggregation thereof, in whatever nature or form (collectively, "City Data"). For clarity and for the purposes of this Agreement, said City Data shall include but not be limited to any data that is licensed or made available to the City through a third party, including but not limited to personal and private information. By this Agreement, City does not convey any right, title or interest in City Data (including but not limited to any rights owned by or licensed from any third party). Notwithstanding any provision to the contrary,

Licensor is prohibited from retaining or using any City Data for any reason other than its performance under this Agreement, even if said City Data is aggregated, de-identified, pseudonymized or anonymized. Without limiting the scope of Section 12.10 below, the requirements of this provision shall survive the termination of this Agreement.

5.1.2 City may, from time to time, engage or contract with contractors, consultants or other third parties (collectively for this Article "City Consultants") to provide separate software, services or products that relate to (and/or interact with) the Software and/or Services provided by this Agreement. Licensor will provide reasonable cooperation and work in good faith with City and City Consultants as reasonably requested by City. Further, to the extent Licensor has access to information of such City Consultant(s) that is marked as or may reasonably be understood to be confidential information, Licensor shall, except as otherwise required by law, use such confidential information only for the purposes set forth in this Agreement and shall protect such confidential information in the same manner that it protects its own similar confidential information, but in no event using less than a reasonable standard of care.

5.1.3 At the termination of this Agreement, Licensor shall promptly (not less than five (5) calendar days) allow City to extract a copy of City Data at no cost for a period of one hundred twenty (120) calendar days, or such greater period as the Parties may agree. 5.2 Licensor Ownership

5.2.1 Licensor represents that it (or its licensors) own all right, title and interest in and to the Software (including but not limited to all source code, object code, class libraries, user interface screens, algorithms, development frameworks, repository, system designs, system logic flow, and processing techniques and procedures related thereto), technical and non-technical documentation, and other Licensor intellectual property rights (copyright, patent, trademark, trade secret and other proprietary rights in any of the foregoing), and subject to the limited license and other rights expressly granted hereunder, Licensor reserves all rights, title and interest thereto.

Additionally, reports or other data generated by Licensor regarding its traffic flow, feature use, system loads and/or product installation, and/or similar information, are the exclusive property of Licensor; expressly excluding however personally identifiable information (PII), which Licensor

shall neither collect (except to the limited extent necessary to perform its obligations under this Agreement), nor retain.

5.2.2 Restrictions. Except as otherwise required by law or order of a court with competent jurisdiction, or exempted by Section 5.3.3 or elsewhere in this Agreement, City agrees that it will not

- (i) modify the Software or technical documentation or create any derivative works based on the Software or technical documentation beyond changes necessary to support intended functions and integrations;
- (ii) copy the Software or technical documentation (except for archival copies of the technical documentation for use consistent with this Agreement, copies required as a step in the use of the Software or Service);
- (iii) license, sublicense, sell, resell, rent, lease, assign, distribute, time share, offer in a service bureau, or otherwise make the Software or technical documentation available to any third party, other than to authorized user as permitted herein;
- (iv) reverse engineer or decompile any portion of the Software or documentation;
- (v) access the Software or documentation for the purpose of establishing a competing commercially available product or Service; or
- (vi) modify, or create derivative works of any features, functions, integrations, interfaces or graphics of the Software or technical documentation.

For clarity, for purposes of this Agreement, (a) reports or other documents created from City Data and (b) configurations and customizations performed within the terms of the Agreement shall not be defined as derivative works and shall be available to the City for municipal uses, including public disclosure, in its discretion.

5.3 Confidential Information.

5.3.1 Lessor represents to the City that its Software and technical documentation contains proprietary information that are the exclusive property of Lessor (or the licensors of Lessor) ("Lessor Confidential Information"). Neither Party shall disclose or use any confidential information of the other Party except (i) as reasonably necessary to perform its obligations or exercise its rights pursuant to this Agreement, or (ii) to comply with applicable law or order of any court of competent jurisdiction. Subject to said first sentence, the Parties agree to protect the confidential information of the other Party in the same manner that it protects its own confidential information of like kind, but in no event using less than a reasonable standard of care. Notwithstanding any provision to the contrary, however, this Section 5.3.1 shall not affect the limits or exclusions to confidential information set forth elsewhere in this Agreement, including but not limited to Section 5.3.3.

5.3.2 Remedies. If a Party discloses or uses (or threatens to disclose or use) any confidential information of the other Party in breach of confidentiality protections hereunder, the other Party shall have the right, in addition to any other remedies available, to seek injunctive relief to enjoin such acts.

5.3.3 **Exclusions.** The definition of confidential information, including Licensor Confidential Information, shall not include any information (in any form) that: (i) is or becomes generally known to the public without breach of any obligation owed to the other Party; (ii) was known to a party prior to its disclosure by the other Party without breach of any obligation owed to the other Party; (iii) was independently developed by a Party without breach of any obligation owed to the other party; or (iv) is received from a third Party without breach of any obligation owed to the other Party. Notwithstanding any provision to the contrary in this Agreement, City Data (including but not limited to Personal Data) shall not be subject to the exclusions (i)-(iii) set forth in this Section 5.3.3. Notwithstanding any provision to the contrary in this Agreement, **expressly excluded from the Licensor Confidential Information provisions** shall be (a) this Agreement, as it may be amended (whether by change order, work order, order form, amendment or otherwise), and its appendices, addendum, order forms, exhibits, and (b) all other incorporated or referenced documents/attachments, including the RFP and the Proposal, (c) correspondence with the City by or on behalf of Licensor, (d) invoices and related details, (collectively for this Section “non-confidential documents and information”). City shall have the right to disclose publicly such non-confidential documents and information, in whatever form, for any municipal purpose consistent with the City’s usual practices and activities. Without limiting the generality of Section 12.10, the requirements of this Section shall survive termination of this Agreement.

Additionally and for the avoidance of doubt, none of the requirements of this Agreement shall be interpreted to impede, limit or prohibit the City from disclosing Licensor’s (or licensor, subcontractor, licensees, and affiliates) Confidential Information or other proprietary information, including trade secrets, to the extent that such information is required to be disclosed pursuant to any applicable law, including but not limited to Massachusetts public records law, open meeting law, or any other local public disclosure law applicable to City or pursuant to any order by a court of competent jurisdiction.

Without limiting the foregoing, Licensor shall use education records only for the purposes of fulfilling its duties under this Agreement. Except as required by law or court order, Licensor shall not disclose or share education records with any third party except to subcontractors who have agreed to maintain the confidentiality of the education records to the same extent required of Licensor and only to the extent such education records are needed to fulfill said subcontractor’s duties under this Agreement. Additionally, and to the full extent applicable, Licensor shall comply with the requirements of the Children’s Online Privacy Protection Act ("COPPA") and SHALL NOT KNOWINGLY COLLECT ANY PERSONALLY IDENTIFYING INFORMATION FROM CHILDREN UNDER THE AGE OF 13 THROUGH THE SOFTWARE AND/OR OTHER PRODUCT EXCEPT IN COMPLIANCE WITH COPPA.

The City agrees to promptly provide Lessor notice thereof (although a delay of notice will not relieve Lessor of its obligations except to the extent that Lessor is materially prejudiced by such delay) and to provide reasonable cooperation, information, and assistance in connection therewith. If Lessor's indemnification is provided without reservation, Lessor shall have sole control and authority to defend, settle or compromise such claim, *provided* that any settlement/compromise shall unconditionally release City of all liability by all claimants *and further* that Lessor shall nevertheless obtain City's prior written consent prior to making any admission or statement of City breach, error or negligence.

The City agrees to promptly provide Licensor notice thereof (although a delay of notice will not relieve Licensor of its obligations except to the extent that Licensor is materially prejudiced by such delay) and to provide reasonable cooperation, information, and assistance in connection therewith. If Licensor's indemnification is provided without reservation, Licensor shall have sole control and authority to defend, settle or compromise such claim, *provided that any settlement/compromise shall unconditionally release City of all liability by all claimants and further that Licensor shall nevertheless obtain City's prior written consent prior to making any admission or statement of City breach, error or negligence.*

7.2.1 If the City is enjoined or otherwise prevented from using Software, documentation and/or other products, Equipment for any reason not the material breach of this Agreement by the City, Licensor shall make all reasonable efforts to obtain for the City (at no additional cost) the right to continue use of such Software, Equipment, documentation and/or other products, so that the City is no longer infringing. If neither of the foregoing options is reasonably available to Licensor, then Licensor shall equitably refund any payments made for the applicable Software, Equipment, documentation and/or other products, as of the last date the City was able to normally use said Software, Equipment, documentation and/or other products, and if the City determines that the functionality of the Software is materially reduced, the City may terminate this Agreement pursuant to Section 11.1.

7.3 Any and all costs of defense (e.g., reasonable attorney's fees and costs, any award, any settlement) related to Sections 7.1 and 7.2 shall be deemed direct damages for purposes of Section 9.1 and shall not be subject to the Limitation of Liability set forth in Section 9.2.

7.4 The City shall have no obligation to indemnify the Licensor. Without limiting the generality of Section 12.12, and notwithstanding any provision to the contrary, the City shall have no obligation to indemnify any third party, whether Licensor's affiliate, partner, licensor or otherwise.

7.5 Without limiting the generality of Section 12.10, the provisions of this Section shall survive the expiration or termination of the Agreement.

NOTWITHSTANDING ANY PROVISION OF THIS SECTION 9.2 TO THE CONTRARY, THE MAXIMUM LIABILITY FOR EITHER PARTY SHALL NOT BE LESS THAN ONE HUNDRED THOUSAND DOLLARS (\$100,000). SAID AMOUNT SHALL BE RESET AT THE START OF ANY EXTENDED TERM.

9.3 If Licensor experiences an actual or suspected security breach that may affect the City, Licensor shall notify the City within 72 hours (or earlier if required by law) and shall take immediate steps to limit and mitigate such security breach to the extent possible and, in any event, as required by law. Notwithstanding the foregoing sentence, if any other applicable law requires a more rapid or additional action, Licensor shall comply with the most rigorous requirements.

9.3.1 In the event of any material breach by Licensor of the security, privacy and/or confidentiality obligations set forth in this Agreement the City may, in its discretion, terminate this Agreement for cause including but not limited to the immediate termination of any and all rights Licensor may have to receive City Data or other information from the City.

9.3.2 In the event of a security breach, Licensor shall pay reasonably necessary, documented costs incurred by the City, including but not limited to: (a) costs of any reasonably required forensic investigation to determine the cause of the breach, (b) the cost of providing legally required notice of the breach to individuals affected by the unauthorized acquisition and/or misuse of the City Data; (c) providing one year (or the greater period required by law) of credit monitoring service to individuals whose personal information may have been accessed or acquired and who elect such a service, (d) operating a call center for a period of one year (or the greater period required by law) to respond to questions from individuals whose personal information may have been accessed or acquired, and (f) reasonable attorney's fees and defense costs incurred by the City with respect to such data breach and notification. Licensor shall indemnify, defend and hold City harmless for any loss, cost, damage or expense suffered by City, including but not limited to the cost of notification of affected persons, as a result of Licensor's unauthorized disclosure of education records that are subject to FERPA, or any other confidentiality/privacy provision, whether federal, state or administrative in nature. The limitation of liability set forth in Sections 9.1 and 9.2 shall not apply to Licensor's costs associated with this Section 9.3. Notwithstanding the foregoing, Licensor shall have no responsibility to pay such costs to the extent that such costs are incurred due to the reckless misconduct, gross negligence, willful misconduct or fraud of the City.

9.4 Right to Seek Injunction. Notwithstanding any provision to the contrary, either Party shall have the right to seek injunctive relief as against the other Party to enforce the provisions of this Agreement.

Article 10. INSURANCE

10.1 Licensor shall maintain liability insurance sufficient to fulfill its obligations pursuant to this Agreement, and not less than set forth in this Article. Such insurance shall not be cancelled or reduced during the Term of this Agreement or for such additional period required below. Neither insurance amounts below nor actual coverage shall serve to limit Licensor's liability arising under this Agreement.

10.2 Licensor shall obtain and maintain professional liability/errors and omissions insurance at its sole expense, sufficient to cover any claims, damages, liabilities, costs and expenses (including attorney's fees) arising out of or in connection with Licensor's fulfillment of any of its obligations under this Agreement. Errors and omissions insurance shall cover professional errors and omissions of Licensor, its employees, and officers and professional subcontractors. Coverage under each policy will be a minimum of Five Million Dollars (\$5,000,000) for each occurrence (if on a claims made basis, then with a 6 year extended coverage ("tail" coverage)); provided however that if Licensor's tech E&O, network security, data privacy and cyber liability coverage is included within such policy each shall be not less than the amount set forth for that coverage below.

10.3 Licensor shall also obtain and maintain in force at all times during the term of this Agreement, insurance coverages pertaining to Personal Injury, Property Damage, Motor Vehicle and Worker's Compensation in the following amounts:

- i. Commercial General Liability (including property damage) - \$1,000,000 per occurrence and \$3,000,000 in aggregate. Commercial General Liability insurance shall include within its coverage Licensor's indemnity obligations.
- ii. Automobile Liability/Combined Single Limit (all owned, scheduled, hired, and non-owned autos) - \$1,000,000.
- iii. Workers Compensation - MA Statutory Requirements

10.6 A waiver of subrogation favoring the City shall be included in the policy(ies) for all coverage (except workers compensation). Licensor is solely responsible for payment of deductible or retention amounts.

10.7 Licensor shall furnish certificates of insurance evidencing that it has coverage of the types and amounts required above, to the City, prior to the execution of this Agreement in a form satisfactory to the City. required by Section 10.2. The Certificate Holder shall be Purchasing Agent, City Hall, 455 Main Street, Worcester, Massachusetts 01608. Licensor shall require its insurance company(ies) to notify the Certificate Holder of any reduction or cancellation of the insurance at least thirty (30) days prior to the effective date of such reduction or cancellation.

10.8 Licensor's required insurance coverage set forth above shall not be construed as a limitation or waiver of any potential liability or satisfaction of Licensor's indemnification obligation.

10.9 Licensor shall require its insurer to waive subrogation on claims under its Commercial General Liability and Automobile Liability policies that arise out of or relate to this Agreement. Licensor is solely responsible for payment of deductible or retention amounts relating to its insurance coverage. Licensor's insurance shall be primary and non-contributory to any coverage by the City.

10.10 The City reserves the right to self funded/self insured and shall not be required to obtain commercial insurance coverage.

11.1 Termination of Contract for Cause If either Party fails to fulfill in a timely and proper manner its obligations under this Agreement for any cause, or if either Party violates any of the terms, covenants and conditions of this Agreement, then in such event the offended Party shall have the right to terminate this Agreement by giving written notice to the breaching Party of such termination and specifying the effective date thereof, said written notice to be given not less than thirty (30) days before the effective date of such termination. Unless the Party receiving such notice cures within said thirty (30) days (or such longer period as the Parties may agree in writing), termination of this Agreement shall occur on the effective date without additional notice by the offended Party. In the event of such termination, City shall be obligated to pay for such Equipment, if any, licenses and/or Services received and accepted, but no termination fees, expenses or payment for all or any portion of the remainder of the Term. Licensor shall refund the pro-rata portion of any pre-paid license fees, and Licensor shall be obligated to provide the transition Services set forth in Section 5.1.3 and 11.4. Neither Party shall be relieved of liability to the other for damages sustained as a result of negligence or breach occurring prior to the termination of this Agreement, subject to Article 9. Notwithstanding the notice period and opportunity to cure above, either party may terminate immediately if the other party ceases business, becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. The Parties may, but shall not be required to, use arbitration and/or mediation to resolve disputes.

11.2 Termination for Non Appropriation. The City may terminate this Agreement, without penalty or additional fee, after giving Licensor not less than thirty (30) days prior written notice, if it does not obtain sufficient funding for this Agreement after a good faith request. Notwithstanding the foregoing, City shall be obligated to pay for such Equipment and/or Services already received, but no termination expenses or payment for all or any portion of the

remainder of the Term. Neither Party shall be relieved of liability to the other for damages sustained as a result of negligence or breach occurring prior to the termination of this Agreement.

11.3 Termination for Convenience. Either Party may terminate this Agreement at any time, without penalty or additional fee, by giving at least ninety (90) days' notice in writing to the other. In the event of such termination, City shall be obligated to pay for such Equipment, if any, licenses and/or Services received and accepted, but shall not be required to pay any termination fee, expenses or payment for all or any portion of the remainder of the Term. Licensor shall refund the pro-rata portion of any pre-paid license fees, and Licensor shall be obligated to provide the transition Services set forth in Section 5.1.3 and 11.4. Neither Party shall be relieved of liability to the other for damages sustained as a result of negligence or breach occurring prior to the termination of this Agreement.

11.4 Responsibilities in the Event of Termination.

11.4.1 Upon any termination of this Agreement, the City shall cease to use the Software and shall have no obligations to make any payment for any period after the date of termination, except as set forth in Section 5.1.3 regarding transition. Licensor shall, upon the City's request, provide reasonable cooperation and assistance as City may reasonably request to support an orderly transition to another provider of similar software, services, or to City's internal operations.

11.4.2 Licensor shall fully comply with any and all FERPA requirements, which shall control over the requirements in this Section 11.4.1 and Section 5.1.3, above, to the extent FERPA is more protective of data. If Licensor is requested to return City Data, Licensor shall furnish City such City Data in a form agreed to by the Parties and at a cost of not more its then market rate pursuant to an amendment to this Agreement.

Article 12. MISCELLANEOUS

12.2 Contractors, Subcontracting, Successors & Assignments

Licensor and assignee shall provide the

City written confirmation of such assignment and assignees financial capacity to meet said obligations in a form acceptable to the City. Notwithstanding the foregoing, either Party may assign this Agreement in its entirety as the result of a sale of all or substantially all of its assets without having to obtain the other Party's consent, provided that it promptly informs the City of the transfer, provides contact information for the assignee, as well as evidence reasonably acceptable to the City of the assignee's capacity to satisfy the obligations of this Agreement, and further provided that the assignee accepts in writing in a form reasonably acceptable to the City all the rights, duties and obligations of the Lessor.

In such an event, Lessor agrees that, except as required by law, such confidential information may be used only for the purposes set forth in this Agreement and that Lessor shall protect such confidential information in the same manner that it protects its own similar confidential information, but in no event using less than a reasonable standard of care.

12.5 Discrimination Prohibited

A. In all hiring or employment made possible by or resulting from this Agreement, there (1) will not be any discrimination against any employee or applicant for employment because of race, color, religion, sex, or national origin, and (2) affirmative action will be taken to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin.

Licensor, and any consultant to or subcontractor for Licensor, further represents, warrants and certifies that it will remain in such compliance during the term of this Agreement, including any amendments or extensions hereto.
