40. Samples of the product to be delivered may be taken by a representative of the City, either prior to delivery or while it is being delivered in the storage facilities at destination, or will be taken from the storage facilities to which the product has been delivered as determined from time to time by the Purchasing Agent. Bidder agrees to furnish the necessary manual labor, without additional cost required to assemble the physical samples, which is to be performed under the direction of the City representative.
41. The representative of the City taking the samples, shall be given the opportunity, while sampling, to affix his signature to the delivery slip each item represented in his sample.
42. Any product after the sampling and analysis, not found meeting the requirements of the contract shall be sufficient cause for the cancellation of the contract at the option of the Purchasing Agent.
43. If any product is found that does not meet the analysis submitted by the bidder in his proposal, the Purchasing Agent may at his option exercise his right to reject the product and require that all or any part thereof shall be removed promptly by and at the expense of the contractor and replace it forthwith with a product satisfactory to the Purchasing Agent, or to retain the product and compensate the contractor in an amount as determined by the Purchasing Agent and the City Manager.
44. It is understood and agreed that it shall be a material breach of any contract resulting from this bid for the Contractor to engage in any practice which shall violate any provisions of Massachusetts General Laws, Chapter 151B, relative to discrimination in hiring, discharge, compensation, or terms, conditions or privileges of employment because of race, color, religious creed, national origin, sex, age or ancestry.
45. The undersigned as bidder, declares that the only parties interested in this proposal as principals are named herein; that this proposal is made without collusion with any other person, firm or corporation; that no officer or agent of the City is directly or indirectly interested in this bid; and he proposes and agrees that if this proposal is accepted he will contract with the City in accordance with the specifications, also the terms and conditions as spelled out in this bid form.
46. No Person, including but not limited to corporations, partnerships, limited partnerships or limited liability corporations, shall be eligible to receive a contract under this invitation to bid and/or request for proposal if that person has been convicted of any felony offense involving the distribution of controlled substances as that term is defined under Chapter 94C of the General Laws and, for contracts to be performed for on-site services to the Worcester Public Schools, if that person or any person to be employed by that person in the performance of such on-site services has been convicted of a "sex offense" or a "sex offense involving a child" or a "sexually violent offense" or would meet the definition of "sexually

violent predator" as those terms are defined in Chapter 6, Section 178C of the General Laws and who must register with the sex offender registry board.

47. The Contractor shall at all times enforce strict discipline and good order among his employees and shall not employ for work or services relating to this contract any unfit person or anyone not skilled in the task assigned to him. In light of the fact that the performance of this contract requires the Contractor and its employees to have significant interaction with the public, the Contractor shall require all employees who may perform services under this contract to conduct themselves in a courteous, professional manner. If the Contractor is notified by the Contract Officer that any person engaged upon the work is incompetent, unfaithful, disorderly, discourteous, or otherwise unsatisfactory, then such person shall be discharged from providing services or work pursuant to this contract. Without limiting the generality of the foregoing, intimidation, threats and/or violent conduct of any kind or nature directed to members of the public are absolutely prohibited. Failure to comply with this requirement shall be grounds for termination of the contract.
48. The Contractor's performance may be evaluated on an ongoing basis including but not limited to consideration of complaints received from members of the public. In order to facilitate this evaluation, the Contractor shall provide the City with documents and records upon request. The Contractor shall further obtain from its employees authorization that appropriate City personnel may obtain all available criminal offender information ("CORI") from the Criminal History Systems Board. A high number of unresolved complaints, any number of complaints that are particularly severe, or employment of individuals who have been convicted of assault or other violent crimes shall be grounds for the early termination or non-renewal of the contract by the City.
49. The procurement officer shall award the contract to the lowest responsible and responsive bidder. The term "responsible bidder" means "a person who has the capability to perform fully the contract requirements, and the integrity and reliability which assures good faith performance." Consistent with its duty to maintain public order and promote public safety, the City has determined that this contract is of a type and nature so as to be particularly sensitive due, at least in part, to the contractor's inherent access and dealings with the members of the general public. Therefore, the City has concluded that additional scrutiny is justified as it determines whether a particular bidder is responsible, having the integrity and reliability to properly perform the requested services. This may entail consideration of the contractor's system of oversight, training and supervision of its employees, including but not limited to its requirement of a high standard of customer service and courtesy in its dealings with the public. The bidder's care and diligence in hiring and assigning its employees will also be considered. In making its determination, the City reserves the right to examine any and all information at its disposal, including but not limited to prior City contracts, the experiences and information obtained from current and former customers (whether identified by the bidder as references or not), as well as other sources available to the City, including but not limited to court documents, newspapers, financial reports (such as DUNS), and certain police data and reports.
50. The Contractor, acting through its owner(s) or any of its employees, or its agents or sub-contractors and any of their employees, shall not engage in any behavior, whether during the course of its duties under this contract or at any other time, that is illegal, criminal or otherwise shocking or offensive to the general public. The determination whether any particular behavior is illegal, criminal or shocking to the general public shall rest in the sound judgment of the Contracting Officer or the City Manager. In making such determination, the Contracting Officer or the City Manager shall apply the general standards of the community. No criminal conviction or formal charges shall be required to make such determination. Such behavior need be something more than trivial and something which would cause the general public to have concerns either about the safety of individuals coming in contact with the Contractor or about the character and integrity of the individuals with which the City does business. Violation of this provision shall be grounds for immediate and unilateral termination of this contract by the City upon five days' notice as otherwise provided herein

## Invitation for Bids (IFB)

### Surplus Commercial Kitchen Equipment Removal & Disposal – Vernon Hill Elementary

**Project Location:** Vernon Hill Elementary School, 211 Providence St, Worcester, MA 01607

**Issuing Authority:** Worcester Public Schools (WPS)

#### Introduction

Worcester Public Schools (WPS) is seeking proposals from qualified, licensed and insured vendors for the safe removal and disposal of surplus commercial kitchen equipment. The equipment is currently located on the **third floor** of the Vernon Hill Elementary School.

This project involves heavy, oversized industrial items that require specialized handling, rigging, and extraction methods due to significant building constraints.

#### Project Overview & Site Constraints

The third-floor kitchen area is being decommissioned. All listed equipment must be removed without damage to the building structure or disruption to ongoing operations. *Note: See Appendix B (provided separately) for floor plans.*

#### **Logistical Challenges:**

- **Elevator:** The existing elevator is out of order.
- **Stairwells:** Staircases are narrow with tight turns; manual removal via stairs without damaging walls is likely impossible.
- **Window Access:** Large third-floor windows can be temporarily removed to serve as an alternative extraction route.
- **Hoisting/Rigging:** If window removal is utilized, equipment must be hoisted using cranes or rigging systems. Vendors are responsible for assessing feasibility and permitting.

#### Equipment Inventory

The surplus equipment includes, but is not limited to:

- Stainless steel prep tables
- Blodgett commercial ovens
- Tilt skillets
- Flat-top stoves
- Additional commercial ovens
- *Note: See Appendix A for detailed photos.*

**Division of Responsibility:** WPS Maintenance Staff will be responsible for all disconnections (plumbing, electrical, and gas). The vendor is strictly prohibited from performing utility disconnection work.

### Detailed Scope of Work & Execution Requirements

To ensure comparable bidding, all vendors must adhere to the following operational requirements:

#### **A. Protection of Surfaces and Finishes**

- **Floor Protection:** The vendor must provide and install temporary floor protection (e.g., Masonite, Ram Board, or heavy-duty plywood) along the entire internal transit path from the kitchen to the extraction point.
- **Thresholds & Door Frames:** All door frames and corners along the removal path must be padded or shielded to prevent impact damage.
- **Damage Liability:** The vendor is responsible for the cost of repairing any damage to walls, floors, or windows resulting from the removal process.

#### **B. Rigging and Extraction**

- **Methodology:** If using window extraction, the vendor must provide a certified rigging plan.
- **Window Handling:** Removal and reinstallation of windows must be performed by a qualified professional. Post-installation must ensure the building envelope is weather-tight and structurally sound.
- **Crane Operations:** The vendor is responsible for providing all hoisting equipment. If a crane is positioned on the street or sidewalk, the vendor must handle all City of Worcester permitting, police details, and pedestrian safety barriers. The costs associated with the vendor's crane operations and any details or other items needed are to be included in the bid price.

#### **C. Equipment Disposal**

- **Removal from Site:** All equipment must be loaded directly onto the vendor's vehicles. **No items may be deposited in WPS-owned dumpsters or left on school property overnight.**
- **Disposal/Recycle:** Provide documentation of legal disposal or recycling of all metal and commercial components.

#### **D. Safety and Risk Management**

- **Safety Plan:** Vendors must submit a project-specific Safety Plan including fall protection (if working near open windows), hoisting safety zones, and PPE requirements.
- **Supervision:** A designated Project Manager or Superintendent must be on-site at all times during the weekend operations.

### Schedule & Constraints (The "Beginning of July" Clause)

To ensure student safety and zero disruption to educational activities, this project is subject to a strict early summer window.

- **Earliest Start:** July 10 at 7:00 AM.
- **Latest Completion:** July 17 at 6:00 PM.
- **Final Deadline:** All work, including site restoration and disposal, must be completed no later than **July 17, 2026.**

### **Walkthrough Information**

A pre-bid walkthrough will not be held.

To view the site please contact Michael Freeman at 774-314-0322

### **Proposal Requirements**

Interested vendors must submit a proposal containing:

1. **Technical Narrative:** A step-by-step description of the removal process, including the specific rigging method and window restoration plan.
2. **Safety Plan:** A written document outlining safety protocols and risk mitigation.
3. **Qualifications & Insurance:** Proof of rigging experience and a Certificate of Insurance (COI) including minimum coverage requirements as listed herein. WPS / City of Worcester shall be additionally insured for this project.
4. **References:** At least three (3) references for similar commercial rigging or heavy removal projects in an institutional setting.

**Contract Number:** 8731-W7

**Description of Work:** removal and disposal of surplus industrial kitchen equipment from Vernon Hill School. Crane, rigging and window removal and replacement may be needed to safely remove items from school

**Job Location:** 211 Providence Street

**Information about Prevailing Wage Schedules for Awarding Authorities and Contractors**

- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.
- This annual update requirement is generally not applicable to 27F “rental of equipment” contracts. For such contracts, the prevailing wage rates issued by DLS shall remain in effect for the duration of the contract term. However, if the prevailing wage rate sheet issued does not contain wage rates for each year covered by the contract term, the Awarding Authority must request updated rate sheets from DLS and provide them to the contractor to ensure the correct rates are being paid throughout the duration of the contract. Additionally, if an Awarding Authority exercises an option to renew or extend the contract term, they must request updated rate sheets from DLS and provide them to the contractor.
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the “Wage Request Number” on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker’s rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee’s name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.

**Additional Apprentice Information**

All apprentices must be registered with the Division of Apprenticeship Training(DAS) in accordance with M.G.L.c. 23, §§ 11E-11L. Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the hourly prevailing wage rate established by the Commissioner under the provisions of M.G.L.c. 149, §§ 26-27D.

Apprentice ratios are established by DAS pursuant to M.G.L.c. 23, §§ 11E-11L. Ratios are expressed as the allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified. The ratios listed herein have been taken from relevant private collective bargaining agreements(CBAs) and are provided for illustrative purposes only. They have not been independently verified as being accurate or continuing to be accurate.

Parties having questions regarding what ratio to use should contact DAS.
