

June 29, 2026

To All Bidders:

Subject: **Bid No. 8734-M7 – NCC Security Systems Infrastructure & Network Cabling / WPS**

ADDENDUM NO. 2

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

Questions Received by this Office & Answers from The City:

1. Is there any Abatement work that will be required on this project? Please confirm.
There is no abatement unless identified hazardous materials are disturbed, per the bid specifications.
2. The existing ceiling tiles that have damage, please confirm it will not be the responsibility of the EC to repair or replace ceiling tiles.
Tiles damaged by the vendor would be the vendor's responsibility to repair or replace. Otherwise, no.
3. Please confirm that the scope of work for the Network cabling drops, final termination will be by others.
All final termination must be completed as part of this project, per specifications.
4. Please confirm Cable Management & Environmental Pathways conduit does not have to be finished or painted. That will be done by others.
Conduit does not have to be finished or painted.
5. The completion date is 90 days. Will the building be occupied during any of this time frame? And will the work need to be done on a 2nd shift schedule if occupied. Please confirm.
Per specifications: All work must be conducted during hours when there is no student activity unless prearranged with the district (typically meaning after normal school business hours).
6. Please provide the Prevailing wage sheet for this project.
Prevailing wages are included in the Initiation to Bid, forms begin on Page 63, Wage Packet begins on Page 67.
7. Please confirm if Permit fees will be waived for this project.
Permit fees are not waived for this project.
