Questions Received by this Office and Answers from the City:

1. Q: Item 434.00 Saw Pavement, is that for the install & R&R of curb in the milled pavement?
 - A: Item 434.00 is for the adjustment and installation of curb adjacent to surface course pavement. This does not apply to locations that will be milled. For Milled locations, sawcutting is incidental to the curb work.
 - See the attached Updated P Sheets.
