To All Bidders:

Subject: **7962-M3 Overhead Door Replacement WFD/WFD**

ADDENDUM NO. 1

To Whom It May Concern:

With reference to our proposal request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

Pre-Bid Walk Thru-

February 2, 2023. 180 Southbridge St, Worcester, MA 01608 @ 10:00 a.m.

Question 1

Both 2" and 3" track are specified. You have 2" track now and 3" track requires more clearance (which is unavailable at this site)

Answer: 2" Tracks are to be used.

- Question 2

Spec calls for transferring sensing edge from existing door to new door. I don't think there is a sensing edge on the existing door

Answer: Provide sensing edge.

- Question 3

Spec calls for tempered ¼" insulated glass. Glass can be ¼" or insulated; not both

Answer: Provide insulated glass.

- Question 4

Spec calls for lintel brush seal. This is typically used on rolling steel doors, not sectional doors

Answer: Remove lintel brush seal.

- **Question 5**

Spec calls for a lock. A lock is not recommended on a door that has an electric operator

Answer: Remove interior locking device.

- **Question 6**

It looks like existing components at the rear of the new horizontal track will be moved to allow for the torsion spring to be rear mounted

Answer: Provide for rear mounted torsion spring, provide bracing as needed.

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.
