To All Bidders:

Subject: **CR-8042-M4 Fence Repairs and Installation/DPWP**

ADDENDUM NO. 2

To Whom It May Concern:

With reference to our proposal request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **Please see the below for clarification on a bidder's question:**

Question: "On page 1 it states: A COMPLETE BID PACKAGE SUBMISSION CONSISTS OF THE FOLLOWING: ♣ Form for General Bid (66-72) ♣ Bid Security (5% of Total Bid) ♣ Forms required by M/WBE Program.

On page 96-97 it appears that there is some additional information required that would be part of the bid package. Should that be included with references for the bid?

Also, The are the forms required by the M/WBE program just page 100 on the bid packet?"

Answer: Other than what is mentioned on page 1 of the bid document, there are additional items that should be submitted with this bid. This includes anything noted in the bid specification section on pages 96-98 of the bid document. The M/WBE Program form, directly following the bid specification pages, should also be completed and returned. There are five standard forms that are shown on the open bids website that should also be completed and returned with your bid; these include Cori Compliance, EPP Policy, MWBE Program, REAP Program and Wage Theft Prevention Certification. Any addenda should also be included at beginning of the bid packet submitted.

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Maureen McKeon
