To All Bidders:

Subject: **Bid No. CR-7838-W3, Solar Rectangular Rapid Flashing Beacons / DPWP**

ADDENDUM NO. 2

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **Please see below questions received and responses from City.**
 - The spec has specific requirements for the cabinet such as aluminum and its thickness. Can we use non-metallic cabinet that is NEMA Type 3R+ and IP55 Rated?
No, aluminum cabinet per specifications is required
 - The interface circuit board is also specified in detail in the spec. Can we use our own design of RRFB controller that is MassDOT approved?
Yes, but it must be on the current MassDOT approval list.

Bidders are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Christopher J. Gagliastro
Purchasing Director
