WPS Custodial Cleaning and Disinfectant Product Bid Specification November 2023 ~ Bid #: CR-8092-W3

Attachment #1: Pricing Bid Sheet for Custodial Cleaning Products

Although WPS is seeking the product in concentrate, WPS requires bidders to provide the cost of the product in quarts of diluted ready to use (RTU) product in order to compare the total cost of product as used since each manufacturer's concentrate may yield a difference amount of RTU product. Bid prices shall include the cost for initial items necessary to service the contract. Refer to specifications for details on items.

*Lowest bid shall be based on the total of the three concentrated products.
