HOSE REPAIR & FABRICATION - GENERAL TERMS, CONDITIONS AND SPECIFICATIONS
BID #: CR-8138-W4

Scope of Services:

Provide all Aeroquip-brand hydraulic hoses, fittings, hydraulic press and prefabricated hose assemblies to the City of Worcester.

Aeroquip hoses are the only hoses acceptable under this bid because: the City would like to maintain consistent stock, limit turnover and the superior performance of the product. In addition, vendor will monitor inventory on a weekly basis and make recommendations for any purchases to refill stock levels from re-order point. Vendor must provide all storage cabinets and labels for inventory to include restocking when order is received.

Vendor must supply any Aeroquip fitting / hose that the City of Worcester requests within eight (8) hours after request has been made. Occasionally, the City of Worcester may require emergency pick up of parts. *Vendor must be located within a ten mile radius of Worcester City Hall.*

All items not covered under this contract may be purchased at a charge not to exceed ten percent (10%) over the vendor's net cost. The City reserves the right to perform random audits to ensure pricing accuracy.
