## **ADDENDUM NO. 3**

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **PLEASE SEE QUESTIONS BELOW AND RESPONSES FROM DPF-WRA.**

My biggest concern is the secondary platform level and what care it will need. It seems under construction with no access to it.

**Answer: The secondary platform level is not part of the current bid / contract.**

If we do receive a large snow event and snow need to be removed where do we add pricing? It did not show any designated stock pile areas on the map just that it could not go into landscape beds.

**Answer: Bidders shall include a unit price below for hauling of any snow.**

## **Union Station Additional Cost for Hauling Snow**

**Cost per cubic yard \***

\*Including operator(s), truck(s) materials and labor as applicable (must be disposed of legally)
