To All Bidders:

Subject: **Bid No. CR-8394-M5, Hauling – Sweepings & Catch Basin Waste / DPWP**

ADDENDUM NO. 1

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

Questions Received by this Office, and Answers from The City:

1. Q: Is the price per ton just for the hauling or as well the disposal cost? Or does the city pay for disposal?

A: The price is for hauling only, price of disposal is a separate cost not included in this bid.

2. Q: What is the method of loading the hired trucks? Is it coming out of a large stockpile or direct?

A: Trucks are loaded by the City of Worcester at Upper Blackstone Clean Water Facility, located at 50 Route 20 Millbury, MA. Typically, service for hauling is requested when stockpile has reached approximately 4,000 cubic yards.

Bidders are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Stephen R. McDonald
Assistant Purchasing Director
