ADDENDUM NO. 1

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

Questions Received by the City and their answers below:

1. Q: Are all buildings single story? (Any stories > 5)?

A: Please see the table on the following page.

2. Q: Could you give us any idea regarding the grease duct routing of the schools? Are the majority of them all straight up?

A: We do not know if they are all straight routes outside the ones venting directly above the kitchen (see table). These are best estimates, but we do not know the exact length of the ducts.

Bidders are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Stephen R. McDonald
Assistant Purchasing Director
