**Item #1** is an outdated Allvis Electronic Auto Body Measuring System , it appears to be complete and in very good condition but is very much out of date and would need to be upgraded for any users, not sure if the manufacturer is still supporting this version. It would be a good source of hardware for anybody who is utilizing this equipment.

**Item #2** is a Coats Tire Changing Machine , It appears to be complete and in limited working order , the electric motor / controls will need to be serviced to make it fully operational

**Item # 3** Is a Drester Waterborne Spray Gun Cleaner, It will require some repairs to make it operational , Parts only value
